Participant ID: Eberspächer Climate Control Systems International GmbH (PR35VM)

Overall assessment result: Konform

Valid until: 2027-07-01

„The exchange of assessment results within TISAX® is merely exclusive for registered participants and only takes place after explicit release of the results by the assessed company for an inquiring company in form of standardized summaries (TISAX® Report).

To find out whether your business partner's TISAX® assessment result is conform, your company needs to participate in the TISAX® community.“ [Welcome to TISAX · ENX Portal](#)
