Change in the Finance organization of the Eberspaecher Group

Esslingen (Germany), 1 October 2024 – **Stephan Knuppertz will become the new Chief Financial Officer (CFO) and member of the Executive Board of the Eberspaecher Group on October 1.**

The 54-year-old business graduate (MBA) began his career at Deutsche Bank and then spent more than 25 years at Heidelberger Druckmaschinen AG in various management positions in the finance department. Most recently, as Global Head of Controlling & Financing and member of the Executive Committee, he was responsible for the commercial management of global operational finance and financing topics. In addition to his long-standing contacts in the banking industry, he brings to his new role extensive experience in corporate finance and business transformation.

The previous incumbent, Dominic Waldeier, has decided to pursue a new challenge. Following a transition period and an intensive induction phase with Stephan Knuppertz, Dominic Waldeier will leave the company in the fourth quarter.

About Eberspaecher:
With approximately 11,200 employees at 80 locations worldwide, the Eberspaecher Group is one of the automotive industry's leading system developers and suppliers. The family business, headquartered in Esslingen am Neckar, stands for innovative solutions in exhaust technology, automotive electronics and thermal management for a broad range of vehicle types. In combustion or hybrid engines and in e-mobility, the components and systems from Eberspaecher ensure greater comfort, higher safety and a clean environment. Eberspaecher is paving the way for future technologies such as mobile and stationary fuel cell applications, synthetic fuels as well as the use of hydrogen as an energy carrier. In 2023, the Group generated revenue of around 6.4 billion euros. Net revenue adjusted for transitory items amounted to 3.0 billion euros.
