### Management of Divisions Climate Control Systems and Automotive Controls

- **Jörg Steins becomes sole CEO**
- **Good and intensive handover**
- **Pepijn Dinandt remains active in an advisory capacity**

*Esslingen (Germany), 2 February, 2024* – After a good and intensive handover Jörg Steins will take over the management of the Divisions Climate Control Systems and Automotive Controls of the automotive supplier as sole CEO from 5 February 2024. The 56-year-old automotive expert will thus assume responsibility for the growth areas of thermal management and vehicle electronics with around 3,000 employees. Pepijn Dinandt remains active for the company in an advisory capacity on a project basis.

For **further information and details on Jörg Steins**, see link to press release from 12 December 2023 [Change in the management of Divisions Climate Control Systems and Automotive Controls: Eberspächer \(eberspaecher.com\)](#)

**About Eberspaecher:**

*With approximately 10,700 employees at 80 locations worldwide, the Eberspaecher Group is one of the automotive industry's leading system developers and suppliers. The family business, headquartered in Esslingen am Neckar, stands for innovative solutions in exhaust technology, automotive electronics and thermal management for a broad range of vehicle types. In combustion or hybrid engines and in e-mobility, the components and systems from Eberspaecher ensure greater comfort, higher safety and a clean environment. Eberspaecher is paving the way for future technologies such as mobile and stationary fuel cell applications, synthetic fuels as well as the use of hydrogen as an energy carrier. In 2022, the Group generated revenue of around 6.4 billion euros. Net revenue adjusted for transitory items amounted to 2.7 billion euros.*
